Feedback and Complaints

FEEDBACK AND COMPLAINTS MECHANISM	
How to send feedback	Through Telephone hotline, online (email) or suggestion boxes
How feedback is processed	Feedbacks received verbally through face to face or through telephone conversations are assessed and responded immediately. Non-verbal, online or written feedbacks will be assessed and then be forwarded to the persons concerned.
How to file a complaint	Through Telephone hotline, online (email) or complaint boxes
How complaints are processed	Handling and investigations of complaints require individuals with specific expertise and is managed according to the specific procedures defined by the person in charge depending on the complaint. If complaints are dental in nature, the dentist in charge will be the one to attend to the patient. But if it concerns other problems other than dental procedures, it will be escalated to the next higher authority for assessment and for probable solutions.
