FEEDBACK AND COMPLAINTS MECHANISM

How to send feedback	At the end of consultations and or other services, slips may be given by the PHA and you can drop them in the drop box stalled at the registration area.
How feedback is processed	Staff will review the feedback slips every day so that the concerns are being addressed properly.
How to file a complaint	Approach the PHA in the registration area and raise your concern/complaint with enough justification or evidence to suffice your complaint.
How complaints are processed	The Medical officer and other Nurses and staff will make sure that this will be addressed on your next visit.
