**WHEREAS**, Ordinance No. 23, Series of 2016, as amended, otherwise known as the Revised 2016 Traffic and Parking Management Code of Pasig City, authorized the implementation and issuance of Ordinance Violation Receipts to violators of traffic laws;

**WHEREAS**, Section 122(c) of the Revised 2016 Traffic and Parking Management Code of Pasig City accords a violator five (5) days from the date of violation within which to present the OVR, pay the fine, and redeem his/her license, and imposes an additional surcharge of two percent (2%) for each working day of delay or failure to pay the appropriate fine;

**WHEREAS**, Section 192 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, allows local government units to grant tax exemptions, incentives, or reliefs through duly approved ordinances, under such terms and conditions as they may deem necessary;

**WHEREAS**, the Ninth (9th) City Council previously passed Ordinance No. 44, Series of 2018, in recognition of the fact that the grant of amnesty from October 2018 to 31 March 2019 would: (a) give delinquent traffic violators (most of whom were poor tricycle and jeepney drivers) the opportunity to redeem their confiscated licenses at reduced and more affordable amounts, and to start driving and making a living for their families again; and (b) encourage delinquent traffic violators to settle their obligations and, in the process, facilitate the collection of revenues for the city which would have been difficult to collect otherwise;

**WHEREAS**, the Traffic and Parking Management Office ("TPMO"), which is charged with collecting fines, penalties, and surcharges for violations of the Revised 2016 Traffic and Parking Management Code, has recommended that the amnesty previously extended by Ordinance No. 44, Series of 2018, be granted anew since only 1,753 out of 49,139 OVRs, or 3.5% of the total OVRs targeted, were redeemed as of 31 March 2019;

**WHEREAS**, the need to allow public utility drivers and minimum wage earners a chance to continue earning a living must be balanced by considerations of public welfare and safety;
