COMMITTEE REPORT ON: ON PROPOSED RESOLUTION: 269-2023 A Resolution Authorizing The City Government of Pasig, Through The Honorable City Mayor Victor Ma. Regis N. Sotto, To Enter Into And Sign A Memorandum Of Agreement With The Department Of Health-Treatment And Rehabilitation Center Bicutan For The Provision Of Assistance To First Time Indigent Drug Dependents, And For Other Purposes.

Hon. Raymund Francis S. Rustia

Mr. Apolinario Landicho MPS- *DOH Bicutan Treatment Facility*

Mr. Presiding Officer and Members of the 11th Sangguniang Panlungsod the Committee on Laws Rules and Internal Government respectfully presents & submits the Committee Report on Proposed Resolution 269-2023 conducted last May 25, 2023.

The Committee Respectfully Reports:

Ms. Zenaida Concepcion manifested that in the proposed resolution contains a Memorandum of Agreement (MOA) where it includes a clause about the renewal with the said facility where it was suggested that the renewal to be set for every 3 years instead of every year in order for the said payment to the facility not delayed.

Mr. Apolinario Landicho MPS, from the Treatment Facility states that there is a Php. 3,750 share of the LGU of Pasig to the said facility which was confirmed by Ms. Zenaida Concepcion.

The Committee Chairperson raised an inquiry about the laboratory procedures whereas it was answered by Mr. Landicho that the patients are not required to have their services in the treatment facility. This was supported by Dr. Amelito Javier that the City Government of Pasig can provide the majority of the laboratory services for free.

In the inquiry of Councilor Asilo about the minors who are affected of drugs, it was confirmed that there will be no minors included in the Memorandum of Agreement but the committee confirms that the said MOA can be revised and include the latest case 16 years old but subject to the approval of their executive committee since there is an existing memorandum from the Department of Social Welfare and Development (DSWD) that prohibits them from accepting minors in the facility. It was then mentioned by Committee Chairman delos Santos and Vice Chairperson Asilo that they are exploring possible partnerships with private institutions that can help rehabilitate the minors.

As Councilor Corazon Raymundo raised the question on why it was mentioned in the MOA that only first time offenders are the only one eligible for acceptance in the facility, Mr. Landicho confirmed that it is up to the LGU on whether or not they will send 2nd time offenders. There was an issue in terms of accepting 2nd time offenders in one of the partners of the City which is the reason why the city ADCOP opted not to include them. Instead, livelihood programs are given to the families of offenders.

Recommendation:

- The committee would like to recommend to amend the “ II. SCOPE OF SERVICES” of the said memorandum of agreement and remove section a, b and d as the said services can be offered free by the City Government of Pasig and will only retain section C.
