Submitted by the:  
**COMMITTEE ON HEALTH, SANITATION AND NUTRITION**

Subject:  
**Proposed Resolution No. 298, Series of 2023**

Committee Chairperson:  
**Coun. Roderick Mario U. Gonzales – Committee on Health, Sanitation & Nutrition**

The Committee on Health, Sanitation and Nutrition conducted a Committee Hearing on June 29, 2023, 10:00 o'clock in the morning at the Gallery, Session Hall, 7/F Pasig Cityhall, to discuss the pertinent provisions of Proposed Resolution No. 298-2023, entitled: "A RESOLUTION AUTHORIZING THE CITY GOVERNMENT OF PASIG THROUGH THE HONORABLE CITY MAYOR, VICTOR MA. REGIS N. SOTTO, TO ENTER INTO AND SIGN A MEMORANDUM OF AGREEMENT WITH PREMIER 101 HEALTHCARE MANAGEMENT INC., FOR THE PROVISION OF MEDICAL AND ANCILLARY SERVICES TO THE PATIENTS OF PASIG CITY GENERAL HOSPITAL AND PASIG CITY CHILDREN'S HOSPITAL-CHILD'S HOPE, AND FOR OTHER PURPOSES".

The City Government of Pasig, through the Medical Assistance for Indigent Patients (MAIP) provided by the Department of Health, assists in defraying the cost of medical expenses incurred by indigent patients of Pasig City General Hospital and Pasig City Children's Hospital.

The MAIP program of the DOH provide support for drugs, medicines, medical/orthopedic devices, dental services or other medically related needs prescribed by the physician of a health facility for in-patient and out-patients in excess of the packages/case rates covered by Philhealth or other financing sources subject to the availability of funds.

PCGH and PCCH have inherent limitations as regards their capacity to meet the demand for their clinical, ancillary, and diagnostic services, and are not able to fully provide for all the healthcare needs of their patients at all times.

To facilitate continuity of care and ensure the best possible health outcome for their clients, there is a need to refer patients and clients of PCGH and PCCH to other health care facilities that are capable of providing the needed medical and ancillary services.

Premier 101 Healthcare Management Inc. has been a partner of the City Government in several health services provided by the City and they are capable to meet the needs of patients referred to them.

Premier 101, through its Chief of Operations, Mr. Philip Lim, assures the Councilors that they will extend the best possible services they can give to serve the constituents of Pasig. According to Mr. Lim there are about 186 registered dialysis patient as of this date but they can accommodate more. That 186 patients is about 2,200 sessions per month.

Premier 101's goal is to accommodate as high as 700 registered dialysis patient to augment the services provided by the City's own dialysis facilities. In cases where PCCH, PCGH or our own dialysis facilities cannot accommodate dialysis patient, our health facilities can refer patients to Premier 101 for treatment.

The Committee recommended that this Resolution be passed on second reading on the next regular or special session of the Sanggunian.
